PRICE & VARIETY LIST

"By their fruits ye shall know them."

We have again a wonderful stock of fruit trees, shade trees, ornamental shrubs and roses, the same will be furnished at prices consistant with any reliable firm in the country, QUALITY should be the planter's first consideration. Our stock must not be compared with imported stock; the success of our patrons means our success.

This list is in effect so long as our stock is unsold. All orders will read CASH on delivery, Cash or satisfactory reference from all parties unknown to us before shipment. We do not prepay express or freight charges unless otherwise agreed. Our responsibility ends when stock leaves our packing grounds.
